If the documentation submitted meets our requirements, you will receive a letter of exemption through the end of the 5th target year identified above. EMPLOYER'S BOND FOR WAGES & BENEFITS

§21-5-14(a) Bond required. -- With the exception of those who have been doing business in this state actively and actually engaged in construction work, or the severance, production or transportation of minerals for at least five consecutive years next preceding the posting of the bond required by this section, every employer, person, firm or corporation engaged in or about to engage in construction work, or the severance, production or transportation (excluding railroads and water transporters) of minerals, shall, prior to engaging in any construction work, or the severance, production or transportation of minerals, furnish a bond on a form prescribed by the commissioner, payable to the state of West Virginia, with the condition that the person, firm or corporation pay the wages and fringe benefits of his or its employees when due. The amount of the bond shall be equal to the total of the employer's gross payroll for four weeks at full capacity or production, plus fifteen percent of the said total of employer's gross payroll for four weeks at full capacity or production. The amount of the bond shall increase or decrease as the employer's payroll increases or decreases: **Provided**, that the amount of the bond shall not be decreased, except with the commissioner's approval and determination that there are not outstanding claims against the bond.

(b) **Waiver.** -- The commissioner shall waive the posting of any bond required by subsection (a) of this section upon his determination that an employer is of sufficient financial responsibility to pay wages and fringe benefits. The commissioner shall promulgate rules and regulations according to the provisions of chapter twenty-nine-a of this code which prescribe standards for the granting of such waivers.

(c) **Form of bond; filing in office of circuit clerk.** -- The bond may include, with the approval of the commissioner, surety bonding, collateral bonding (including cash and securities), letters of credit, establishment of an escrow account or a combination of these methods. The commissioner shall accept an irrevocable letter of credit in lieu of any other bonding requirement. If collateral bonding is used, the employer may deposit cash, or collateral securities or certificates as follows: Bonds of the United States or its possessions, or of the federal land bank, or of the homeowner's loan corporation; full faith and credit general obligation bonds of the state of West Virginia or other states, and of any county, district or municipality of the state of West Virginia or other states; or certificates of deposit in a bank in this state, which certificates shall be in favor of the state. The cash deposit or market value of such securities or certificates shall be equal to or greater than the sum of the bond. The commissioner shall, upon receipt of any such deposit of cash, securities or certificates, promptly place the same with the state treasurer whose duty it shall be to receive and hold the same in the name of the state in trust for the purpose for which such deposit is made. The employer making the deposit shall be entitled from time to time to receive from the state treasurer, upon the written approval of the commissioner, the whole or any portion of any cash, securities or certificates so deposited, upon depositing with him in lieu thereof, cash or other securities or certificates of the classes herein specified having value equal to or greater than the sum of the bond. The commissioner shall cause a copy of the bond to be filed in the office of the clerk of the county commission of the county wherein the person, firm or corporation is doing business to be available for public inspection.

(d) **Employee cause of action.** -- Notwithstanding any other provision in this article, any employee, whose wages and fringe benefits are secured by the bond, as specified in subsection (c) of this section, has a direct cause of action against the bond for wages and fringe benefits that are due and unpaid.

(e) **Action of commissioner.** -- Any employee having wages and fringe benefits unpaid may inform the commissioner of the claim for unpaid wages and fringe benefits and request certification thereof. If the commissioner, upon notice to the employer and investigation, finds that such wages and fringe benefits or a portion thereof are unpaid, he shall make demand of such employer for the payment of such wages and fringe benefits. If payment for such wages and fringe benefits is not forthcoming within the time specified by the commissioner, not to exceed thirty days, the commissioner shall certify such claim or portion thereof, and forward the certification to the bonding company or the state treasurer, who shall provide payment to the affected employee within fourteen days of receipt of such certification. The bonding company, or any person, firm or corporation posting a bond, thereafter shall have the right to proceed against a

defaulting employer for that part of the claim the employee paid. The procedure specified herein shall not be construed to preclude other actions by the commissioner or employee to seek enforcement of the provisions of this article by any civil proceedings for the payment of wages and fringe benefits or by criminal proceedings as may be determined appropriate.

(f) **Posting and reporting by employer.** -- With the exception of those exempt under subsection (a) of this section, any employer who is engaged in construction work or the severance, production or transportation (excluding railroad and water transporters) of minerals shall post the following in a place accessible to his or its employees:

(2) A copy of the notice in the form prescribed by the commissioner regarding the duties of employers under this section. During the first two years that any person, firm or corporation is doing business in this state in construction work, or in the severance, production or transportation of minerals, such person, firm or corporation shall on or before the first day of February, May, August and November of each calendar year file with the department a verified statement of the number of employees, or a copy of the quarterly report filed with the bureau of employment programs showing the accurate number of employees, unless the commissioner waives the filing of the report upon his determination that the person, firm or corporation is of sufficient stability that the reporting is unnecessary.

g) **Termination of bond.** -- The bond may be terminated, with the approval of the commissioner, after an employer submits a statement, under oath or affirmation lawfully administered, to the commissioner that the following has occurred: The employer has ceased doing business and all wages and fringe benefits have been paid, or the employer has been doing business in this state for at least five consecutive years and has paid all wages and fringe benefits. The approval of the commissioner will be granted only after the commissioner has determined that the wages and fringe benefits of all employees have been paid. The bond may also be terminated upon a determination by the commissioner that an employer is of sufficient financial responsibility to pay wages and fringe benefits.

§21-5-14a. Insufficiency of bond; manner of distribution.

In the event that the claim of any employee or group of employees having wages and fringe benefits unpaid is in an amount in excess of the bond required in section fourteen of this article, the manner of distribution and order of priority of claims shall be as follows: Unpaid wages; unpaid fringe benefits; damages or expenses incurred or arising out of actual injury: **Provided**, That nothing contained in this section shall be construed so as to limit any other cause of action against any person, firm or corporation.

§21-5-15. Violations; cease and desist orders and appeals therefrom; criminal penalties.

(a) Any person, firm or corporation who knowingly and willfully fails to provide and maintain an adequate bond as required by section fourteen of this article is guilty of a misdemeanor, and, upon conviction thereof, shall be fined not less than two hundred dollars nor more than five thousand dollars, or imprisoned in the county jail not more than one month, or both fined and imprisoned.

c) (1) At any time the commissioner determines that a person, firm or corporation has not provided or maintained an adequate bond, as required by section fourteen of this article, the commissioner shall issue a cease and desist order which is to be issued and posted requiring that said person, firm or corporation

either post an adequate bond or cease further operations in this state within a period specified by the commissioner; which period shall be not less than five nor more than fourteen days. The cease and desist order may be issued by the commissioner at his own instance or at his direction, with or without application to or the approval of any other officer, agent, department or employee of the state or application to any court for approval thereof. Any person, firm or corporation who continues to engage in construction work or the severance, production or transportation of minerals without an approved bond after such specified period shall be guilty of a felony, and, upon conviction thereof, shall be fined not less than five thousand dollars nor more than thirty thousand dollars, or imprisoned in the penitentiary not less than one nor more than three years, or both fined and imprisoned. Any cease and desist order issued by the commissioner pursuant to this subsection may be directed by the commissioner to the sheriff of the county wherein the business activity of which the order is the subject, or to any officer or employee of the department, commanding such sheriff, officer or employee to serve such order upon the business in question within seventy-two hours and to make proper return thereof.

(2) Any other provision of law to the contrary notwithstanding, any person against whom a cease and desist order has been directed shall be entitled to judicial review thereof by filing a verified petition taking an appeal therefrom within fifteen days from the date of service of such order. Such verified petition shall be filed in the circuit court of the county wherein service of the order was completed, at the option of the petitioner, or, in the circuit court of Kanawha County, West Virginia. If the appeal is not perfected within such fifteen day period, the cease and desist order shall be final and shall not thereafter be subject to judicial review. No appeal shall be deemed to have been perfected except upon the filing with the clerk of the circuit court of the county wherein the appeal is taken, of a bond or other security to be approved by the court, in an amount of not less than the amount of the bond otherwise required to be posted under the provisions of section fourteen of this article. The person so filing a petition of appeal shall cause a copy of the petition and bond or other posted security to be served upon the commissioner by certified mail, return receipt requested, within seven days after the date upon which the petition for appeal is filed.

d) Any person who threatens any officer, agent or employee of the department or other person authorized to assist the commissioner in the performance of his duties under any provision of section fourteen of this article or of this section or who shall interfere with or attempt to prevent any such officer, agent, employee or other person in the performance of such duties shall be guilty of a felony, and, upon conviction thereof, shall be fined in an amount of not less than one thousand dollars nor more than three thousand dollars or imprisoned in the penitentiary not less than one nor more than three years, or both such fine and imprisonment.

§21-5-16. Contractors and subcontractors to notify commissioner.

Whenever a person, firm or corporation (hereinafter referred to in this section as "the prime contractor") contracts or subcontracts with an employer and such contract or subcontract contemplates the performance of either construction work or the severance, production or transportation (excluding railroads or water transporters) of minerals or any combination of the foregoing, then the prime contractor shall, within ten days next following the execution of such contract or subcontract, notify the commissioner in writing by certified mail, return receipt requested, of such contract, which notice shall include the employee's name, the location of the job site and the employer's principal business location: **Provided,** That if it is ascertained by the prime contractor from the commissioner that the commissioner has obtained the information required to be included in such notice from another agency of this state, then the filing of such notice by the prime contractor shall not be required. If the prime contractor is a firm, corporation or association, then any and all of the officers of such firm, corporation or association shall be responsible to see to the proper notification required by this section.
