# BEFORE YOU BEGIN TO DO BUSINESS IN WEST VIRGINIA

This booklet is designed to simplify the process of starting a business in West Virginia. Getting your business off to a good start depends on you. If you read this information carefully, take each step in order and complete forms accurately, the process will be fast and easy.

Choosing the **type of business** is a big decision which will effect how the business is owned and operated; who will be liable for the debts and obligations of the business; who will have a right to the assets of the business; and your tax status. The *Small Business Development Center*, a division of the West Virginia Development Office, will provide managerial and technical assistance, financing and loan packaging information, education and training in a variety of areas. See their contact information on page 14.

## STEP 1: Organization — Filing with the Secretary of State

If you are starting a **sole proprietorship** or a **general partnership**, go on to step 2. If you are forming a **corporation, association, limited liability company, limited partnership or limited liability partnership**, you must **first** file organization papers with the Secretary of State whether you are based inside or outside of the State. **Your other registration and licensing applications will not be processed until this step is completed.** See pages 3 and 4 for more information.

## STEP 2: Registration — Filing with Tax and Employer Agencies

Every person or company intending to do business in this State, including every individual who is self-employed or hires employees, must obtain a business registration certificate from the **West Virginia State Tax Department** (See Section A, **pages 11 & 12** - red form).

Every person or company (with very few exceptions) with employees in this State must file for **Unemployment Compensation** coverage, (see Section B, **page 13** - gold form ) and obtain **Workers' Compensation Insurance** coverage. (see page 14). **IMPORTANT - West Virginia employers are now required by law to obtain Workers' Compensation insurance coverage for their employees from a private insurance company. Effective January 1, 2006, the State of West Virginia no longer provides this coverage. PLEASE REFER TO Page 14.**

After reviewing this booklet, **COMPLETE AND SIGN** the application and mail all four pages intact in the envelope provided to the West Virginia State Tax Department, Office of Business Registration. If you prefer, you may visit one of the offices listed on page 15 to register your business.

## STEP 3: Licensing — Applying for Special Licenses or Permits from Licensing Boards and Regulatory Agencies

Many businesses perform work that is regulated. The work you do may require one or more special licenses or permits. If you indicate on the tax registration form that you are doing construction related work, the Contractor's Licensing Board will send you an application form.

Many other licenses are listed on pages 16 and 17. Review the list carefully to determine if you need licenses or permits for the type of business you will operate. If you perform a specialized service which you believe might require a license but don't find it listed, call the agency most likely to handle that service to inquire.

## REGISTRATION PROCEDURES FOR BUSINESSES

Persons or corporations intending to do business in West Virginia must first apply for a Business Registration Certificate. A separate certificate is required for each fixed business location from which property or services are offered for sale or lease or at which customer accounts may be opened, closed or serviced. When filing the initial application (Form WV/BUS-APP), there may not be a remittance due. If your business income was more than \$4,000.00 in all states for the previous filing year, there is a \$30.00 registration due for a two year certificate; however, if this is your first business venture, in state or out-of-state, there is no registration fee due. The Business Registration fee cannot be prorated.

When the application is processed, the West Virginia State Tax Department will assign a State identification number to the taxpayer and issue a Business Registration Certificate. If the business has employees, the State Identification Number will be based on the Federal Employer Identification Number (FEIN), which is assigned by the Internal Revenue Service. If the business does not have a FEIN but has employees, a temporary number will be assigned by the West Virginia State Tax Department until a FEIN is issued. If the business is a sole proprietorship with no employees, the individual's Social Security number will serve as the basis for the State Identification number. To request the SS-4 forms to obtain a taxpayer identification number from the Internal Revenue Service, call 1-800-829-4933. Once you complete your SS-4 form, you may apply for your FEIN by mail or by calling the 800 number above or by visiting website [www.irs.gov](http://www.irs.gov). Type in key word EIN, click on search, then click on second item TAX TOPICS - Topic 755 EIN - How To Apply. When you receive your FEIN notify West Virginia State Tax Department so your temporary number can be changed in our computer file.

The Business Registration Certificate is a permit to conduct business in the State and must be displayed at all times at the place of business. Contractors must also have a copy of their Business Registration Certificate available at each of their construction sites until the work at that site is completed.

## DESCRIPTION OF BUSINESS AND EXCISE TAXES

**BEER BARREL TAX:** The Beer Barrel Tax is an excise tax levied upon the in-state sale, use, handling or distribution of alcoholic beer whether manufactured within or outside of West Virginia.

**BUSINESS AND OCCUPATION TAX:** The Business and Occupation Tax is a privilege tax imposed on natural gas, water, sewer and electric power public utilities, electric power generators, natural gas storage operators and manufacturers of synthetic fuel.

**BUSINESS FRANCHISE TAX:** The Business Franchise Tax is a tax on the privilege of doing business in West Virginia. All corporations, both foreign and domestic, all S corporations and partnerships are subject to the tax.

**TOBACCO PRODUCTS TAX:** The Tobacco Product Tax is an excise tax on the sale of cigarettes and other tobacco products. Revenue indicia, which are stamps and meter impressions, must be affixed to the bottom of each package of cigarettes sold in West Virginia.

**CONSUMERS SALES AND USE TAXES:** The Consumers Sales and Service Tax and the Use Tax impose a duty on vendors to collect a tax from purchasers and to remit all receipts of this tax to the West Virginia State Tax Department. The tax must be collected on the sale, lease or rental of tangible personal property and certain services. All sales and services are presumed to be subject to the tax unless an exemption is clearly established. Vendors who fail to collect the tax will be held personally liable for payment of the tax.

Certain businesses and organizations are allowed exemptions from the tax when they make purchases for use or consumption in their exempt business activities. There are three ways in which these exemptions may be claimed. Tax exemption certificates can be issued by the purchaser on certain exempt transactions. Other businesses may claim their exemption by applying to the West Virginia State Tax Department and being granted a direct pay permit. Persons granted direct pay permits pay sales tax on their taxable purchases directly to the West Virginia State Tax Department. The acceptance of a properly executed exemption certificate or proof of direct pay status from a purchaser relieves the vendor of collecting the sales tax. All other persons must pay sales tax on purchases to the vendor and then apply for a refund or credit of tax paid on their exempt purchases from the West Virginia State Tax Department.

**CORPORATION NET INCOME TAX:** The Corporation Net Income Tax is a tax on the West Virginia taxable income of every domestic or foreign corporation which enjoys the benefits and protection of the government and laws in the State of West Virginia or derives income from property, activity or other sources in West Virginia. The term "corporation" includes a joint-stock company and any association or other organization which is taxable as a corporation under federal income tax laws.

**MOTOR FUEL EXCISE TAX:** An Excise Tax is imposed on gasoline and special fuel (diesel fuel and any other gas or liquid product which is commonly used or practically suited for use as fuel in an internal combustion engine).

**LIQUOR/WINE RETAIL TAX:** A municipal tax of 5% is imposed on every person who holds an off premises retail wine or liquor license. The tax must be collected by the retailer and remitted each month to the West Virginia State Tax Department.

**HEALTH CARE TAXES:** The Broad Based Health Care Related Taxes and the Severance and Business Privilege Taxes for Providers of Health Care Items and Services are imposed on the privilege of engaging in or continuing in the activity of providing health care services within the State of West Virginia. The taxes apply to gross receipts received or receivable as of June 1, 1993 from all sources (Medicaid, Medicare, private pay or third-party payor).

**INTERNATIONAL FUEL TAX AGREEMENT (IFTA)/ MOTOR CARRIER ROAD TAX:** Carriers based in West Virginia who operate qualified motor vehicles (3 or more axles or over 26,000 gvw) in both West Virginia and at least one other state must apply for IFTA credentials and must report all mileage and fuel usage quarterly. Carriers who operate any road tractor, tractor truck or any truck with more than 2 axles solely within the State must obtain West Virginia Motor Carrier decals and may report on an annual basis.

**SEVERANCE TAX:** Severance Taxes are imposed on the privilege of engaging or continuing in the activity of severing, extracting, reducing to possession and producing for sale, profit or commercial use any natural resource product or products. Also, processing and treatment of coal will be subject to the tax. The measure of the tax is the total gross value of the natural resource products severed and the value added by processing of raw coal into a commercial product or units of production (e. g., tons of coal).

**SOFT DRINKS TAX:** The Soft Drink Tax is an excise tax levied upon the sale, use handling or distribution of bottled soft drinks, syrups and powder bases prepared for mixing soft drinks, whether manufactured within or outside West Virginia.

**WINE LITER TAX:** An Excise Tax is levied upon all wine sold by suppliers to distributors, with the exception of wine sold to the Alcohol Beverage Control Commissioner (ABCC). The term "wine" includes any alcoholic beverage obtained by the natural fermentation of the natural content of fruits, honey or other agricultural products containing sugar and to which no alcohol has been added.

**WITHHOLDING TAX:** Every employer doing business in West Virginia and making payment of wages to employees must withhold West Virginia Income Tax from such wages. Amounts required to be withheld and paid over are considered a tax on the employer for purposes of assessment and collection. Withholding is required by partnerships, S corporations, estates or trusts who have income derived from West Virginia sources taxable to non-resident partners, shareholders or beneficiaries. (W.Va. Code § 11-21-71a). Taxes collected through withholding are held in trust for the Tax Commissioner and submitted to the Revenue Division on or before the respective due dates. Visit our website: [www.state.wv.us/taxdiv](http://www.state.wv.us/taxdiv) for employers' withholding instructions and tax tables.

## YOUR RESPONSIBILITIES AS A WEST VIRGINIA TAXPAYER

The employees of the West Virginia State Tax Department are here to assist you in complying with your responsibilities as a West Virginia taxpayer. The following are some important points that will help you in meeting these obligations.

### FILING YOUR BUSINESS TAX RETURNS

The Tax Division makes every effort to provide businesses with the proper tax forms prior to the due date of the tax return. However, it is your responsibility to insure that your return is filed by the due date and the lack of the proper form is not considered reasonable cause for not filing a timely tax return. If you do not receive the proper form from the Department you may obtain forms by calling the automated form ordering system. The telephone number is (304)344-2068 or toll free 1-800-422-2075. You may also obtain forms from any of our regional field offices listed on page 6 of this booklet.

If you are required to file monthly or quarterly tax returns you must file the return even though you owe no tax. Failure to file returns will result in your account being referred to our Compliance Division for corrective action. **Please file all required tax returns even if you owe no tax for the reporting period.**

### PAYMENT OF THE TAX

The full amount of tax that you owe is due and payable on the due date of the tax return. Failure to pay the full amount of tax by the due date will result in interest and penalties being added to any unpaid amount of tax. If for any reason you are unable to pay the full amount of tax on the due date you should file your tax return along with a written explanation of why you are unable to pay and when you will pay the tax due. The employees of the Tax Division are here to assist you. Anytime you find you cannot file a tax return or pay the tax due contact us. We are here to help!

### PENALTIES AND INTEREST

Interest and additions to tax (a penalty) attach by law to any amount of tax not paid on or before the due date of the tax return.

The law requires the Tax Commissioner to establish interest rates for tax underpayments based on the adjusted prime rate. This rate will never be less than 8% per year and is determined every six months.

Additions to tax (penalties) are imposed for failure to file a required tax return by the due date and/or late payment of the tax due. The penalty for failure to file a return is 5% per month, up to 25%. The penalty for failure to pay the tax due is  $\frac{1}{2}$  of 1% per month, up to 25%. These penalties may both be imposed when you fail to timely file your return and pay the tax due. You may reduce

the amount of penalties assessed by filing your tax return on the due date even if you require additional time to pay the tax.

A special penalty of \$50.00 is imposed for failure to renew your state business license.

There are harsher penalties for operating a business without a license, filing a false return or the willful and knowing failure to pay a tax. These may include criminal penalties.

### IF YOU SELL OR DISCONTINUE YOUR BUSINESS

One of the most common problems encountered by taxpayers occurs when a person ceases to do business and does not inform the Licensing Agencies. This often results in unnecessary billing and collection activities, which can be very difficult and time consuming for both the agencies involved and the taxpayer/client to resolve. You may avoid unnecessary corrective measures by notifying each Licensing Agency as soon as possible when you sell or discontinue your business. You should also file final tax returns for each tax you are required to file with the West Virginia State Tax Department.

### THE BILLING AND COLLECTION PROCESS

If you fail to file a required business tax return, file a tax return without payment of the tax or fail to file on or before the due date, you will receive a notice from the West Virginia State Tax Department. To protect your rights, it is very important that you respond, in writing to these notices immediately.

If you fail to respond to the notice, an assessment of tax due will be issued by the West Virginia State Tax Department. This assessment is the means by which the West Virginia State Tax Department establishes a legal tax liability. If you disagree with the assessment for any reason, you are entitled to an administrative hearing to present your reasons. If you fail to respond to the assessment within 60 days, the assessment becomes final, conclusive and payable and is not subject to administrative or judicial review.

Once the assessment becomes final (through inaction or by the affirmative decision of the administrative hearing officer) a tax lien will be filed against all of the property of the taxpayer and will be recorded in the county courthouse. A distress warrant will be issued which authorizes the levy or seizure of any property or wages of the taxpayer.

You may avoid these collection actions by contacting the West Virginia State Tax Department whenever you have difficulties in meeting your tax responsibilities.

Remember, we are here to assist you in meeting your tax obligations.

**PART 1.** All industrial and commercial employers and many nonprofit charitable, educational and religious institutions in West Virginia are covered by the state unemployment compensation law. An employer must register upon establishing a new business in this State. If an employer is required to provide unemployment compensation coverage for employees, the employer must report payroll and pay contributions on a report mailed to the employer each quarter by the Unemployment Compensation Division.

If the reason for registering is due to the purchase of an operating business, merger, reorganization, or change of legal entity answer Question 6. This information will be used to determine your unemployment compensation contribution rate.

Withholding **ONLY** accounts must complete Items 1, 2, 3, and 4, and sign under Item 12.

**PART 2.** Complete this part if you are a non-profit organization.

**ITEM 1.** Your exemption from the Internal Revenue Service should state if you are exempt from Federal Unemployment Taxes. Include a copy of the Internal Revenue Service exemption, if applicable.

Check the appropriate box and indicate the month and year in which the 20th week occurs.

**ITEM 2.** Indicate your option to finance unemployment compensation coverage:

***Option (A) - Contributions***

***Option (B) - Reimbursement of Trust Fund***

The employer selects this option to reimburse the Trust Fund. At the end of each calendar quarter, the employer is billed for unemployment benefits paid to its former employees during the quarter.

## INFORMATION ON OBTAINING WORKERS' COMPENSATION COVERAGE

If you are registering a new business, reopening an old business, or purchasing an existing business, in whole or in part, State law requires employers to obtain workers' compensation coverage for its employees in case of workplace injury. Basic business registration for a new business with the State no longer includes registration for workers' compensation coverage from a state fund. Employers must now apply directly to a private carrier for this insurance coverage. Until July 1, 2008, employers must purchase workers' compensation insurance from BrickStreet Mutual Insurance Company. After July 1, 2008, workers' compensation insurance will be available from other insurers licensed in this state to provide such coverage. For information regarding available insurers, contact the Office of the West Virginia Insurance Commissioner. Current application for Workers' Compensation Insurance and other business licenses and permits applicable to your business may be accessed via the internet at [www.business4wv.com](http://www.business4wv.com).

**WEST VIRGINIA EMPLOYERS REQUIRED TO HAVE COVERAGE** - If you employ even one person in West Virginia, except in very rare circumstances, you are required by law to obtain workers' compensation insurance coverage. **Failure to obtain and maintain proper Workers' Compensation Insurance coverage will subject you to a number of consequences, including the following:**

- **Administrative fines by the Insurance Commissioner up to \$10,000;**
- **Loss of immunity against civil liability (you may be sued by your employee);**
- **Immediate revocation of business license and permits;**
- **Business may be enjoined from continuing operation;**
- **Business and personal liability for all workers' compensation claims paid plus attorneys fees.**

Specific requirements for obtaining Workers' Compensation Insurance coverage may be answered by the private insurance carrier.
