Last Physical Examination: A physician's certificate is required prior to initial certification and will be required every five (5) years. The certificate must certify that you are qualified to drive a commercial motor vehicle as required by 49 C.F.R. §391.41. A copy of the physical examination certificate used in obtaining a commercial driver license or equivalent form approved by the Commissioner must be attached to this application. From that certificate, please enter the date of the last examination and the name of the physician.

Written Examination: All class A certification applicants must take the appropriate examinations required by the National Commission for the Certification of Crane Operators (N.C.C.C.O.). These examinations must be repeated every five (5) years. For each examination taken, please enter the date of the examination and the final score. A copy of the official score notification must be attached to this application.

Practical Examination: All class A applicants must successfully complete a practical examination. This is a hands on demonstration of physical skills where the operator will be required to operate the crane through a series of exercises. In order to take the practical examination, the applicant must document one thousand (1,000) hours of crane related experience in the four years immediately preceding the date of the application.

Scheduling Examinations: All written and practical examinations are administered by an independent testing company. Applicants must contact the company directly for available testing dates and to schedule the appropriate examinations. Contact:
